

The Parents for Fun in Flagstaff Society presents:

The 15th Annual Movie in the Park

The Town of Killam is the hosting community for our 15th year! We are thrilled to be headed back there again after 4 years on the road!!

We will be screening the family movie **"Migration"** at **Killam Heritage Park** on **Tuesday, August 20, 2024**. Movie in the Park is our major fundraiser which helps us offer programming at low, affordable rates while keeping our admission price low to ensure access for all families in our community. Our rural facility is more important now than ever, since the past few years, we have been isolated and disconnected. We have been working harder than ever to support our families and children during these unprecedented times.

A little history of us and our mission:

The Parents for Fun in Flagstaff Society is a non-profit organization. The organization operates the Family Resource Centre located in the Killam Agriplex. The Centre has been open since February 2010 and is truly a gem in rural Alberta. We have continued to act at the Hub for Early Childhood Services, operate the Family Resource Centre and provide educational, developmental and fun programming and events for children and their families.

Please see the sponsorship levels we offer for this event on the reverse side of this page. All sponsors will be acknowledged on our social media pages and in our pre-show before the film. Please contact me for more details if needed. **DEADLINE for Fresh Air Pre-show – JULY 26, 2024.**

Sincerely,
